## **Recreation Leaders in Training**

The City of Costa Mesa Recreation Division will be offering volunteer opportunities to High School students ages 13 - 17 at the Balearic Community Center.

High School students who are accepted into the program will have the opportunity to volunteer and learn about programs offered by the City of Costa Mesa. Volunteers will assist staff with daily operations, planning and implementing activities, learning basic leadership skills, good customer service skills and how to supervise school-age children, all in a team environment.

High School students ages 16 - 17 who complete 200 volunteer hours in the RLIT program will be given the opportunity to interview for a Recreation Leader I position working 15 - 20 hours a week.

Interested High school students must complete a Volunteer Application. All applications must have a parent or guardian signature, and must be submitted to Balearic Community Center or mailed to: RLIT Program Application Recreation, P.O. Box 1200, Costa Mesa, CA 92628-1200

Applications will be reviewed and interviews will be set up with qualified applicants.

There may be additional requirements to volunteer for specific programs. Please inquire for further details.
